

PTO NEWS – Where Eagles Soar...

January 24, 2014

-Our **t-shirt contest** is being extended. Please bring your entry to the front office by 24th, the winner will be announced at Doorway to the Arts. The theme should celebrate our 10 year anniversary.

-It is time for our next **BOXTOPS** contest. We have earned \$600 so far and our goal is \$800 for the year. NVA will use the money to purchase supplies for the school. It's easy, just clip and submit. The classroom that collects the most BOXTOPS will win a PIZZA PARTY!!! The sheet to collect box tops is on the back!

-The PTO will be holding a special **volunteer dinner** March 7th at 6:30pm. We are in need of new PTO board members for our next school year and volunteers for the NVA library. During the dinner we will share information about the different board positions available and the time commitment; 90% of our board members are working parents. You don't have to be a stay-at-home parent to volunteer. Watch for your invite. This is for **prospective volunteers** as well – all NVA parents are welcome.

From NVA Admin –

Just a reminder, if your child is going to be **absent** from school, you **MUST** call the front office to report the absence. Telling the teacher does not meet the criteria. Please call 998-0501 x 100 and leave the absence on the message machine. We will enter it officially into the computer.

Lottery applications will be up next week. Check the website or the front office. For current families, the “**Letter of Intent to Return**” will go home in February.

We have ordered additional rubber mulch to comply with the Pre-k program standards. We would love to have some **parent volunteers** to come to school on **Saturday, February 8** in the morning to help spread mulch as well as attend to some other grounds-keeping matters on campus.

K thru 5 Family **SWEETHEART dance** – will be held on ~~Valentine's Day~~ ²⁻²¹, sponsored by Student Council. A wonderful way to spend the evening as a family! All students must be escorted by an adult family member. Watch for additional details.

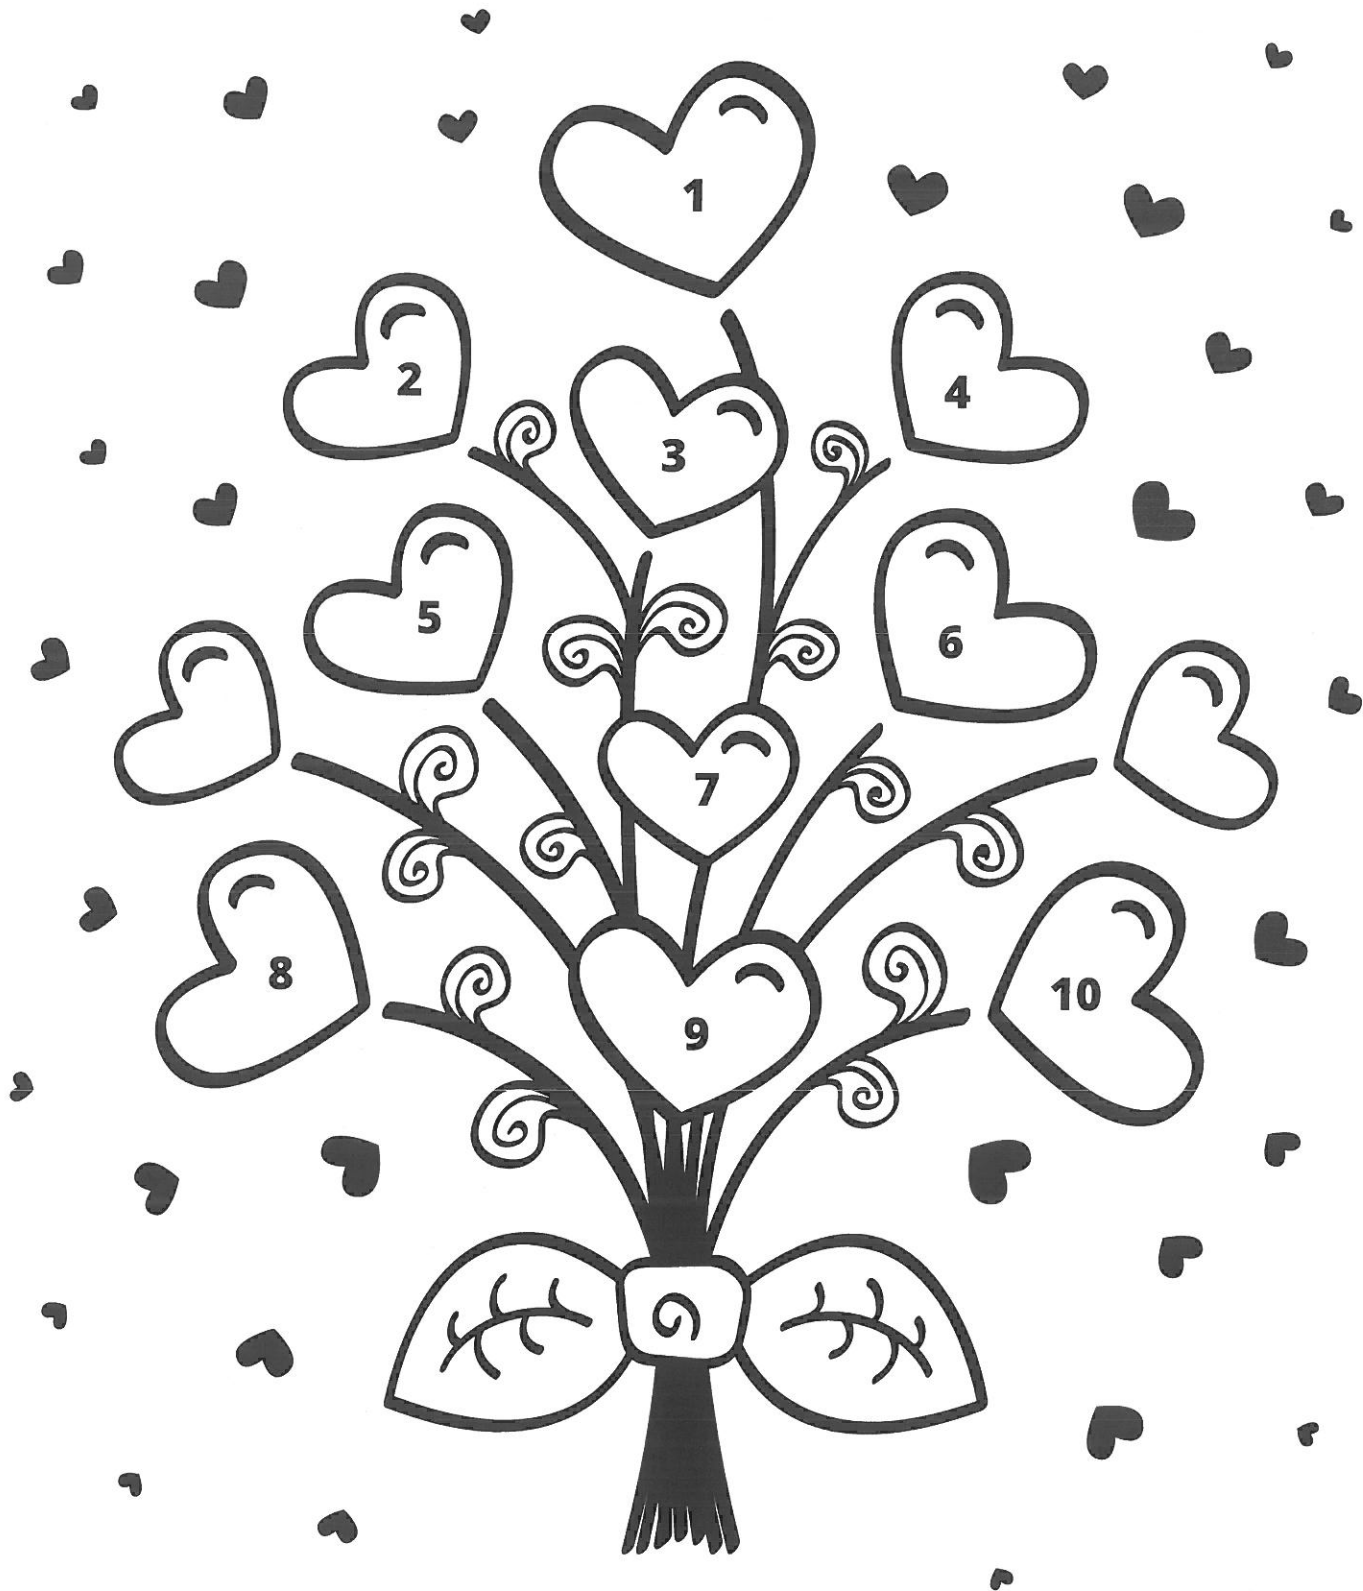

Thank you to all the families that showed up to put their scientific knowledge to the test and view Science Fair projects. There were many great projects and we have 11 regional qualifiers! Way to go NVA! A special thanks to all the Science Committee members and Tammy Hernandez for heading up the event! Also – a HUGE thanks to our volunteer judges...

As always, stay focused on our academic goals, and thanks for your support –
